Dear Sirs,

Namaskarams. I would like to thank you for the services that you have been providing to our family functions for more than 45 years. I believe it started even before I was born - 1973 to be precise and it was my parents' marriage. Your catering services for numerous family functions of ours have been of the highest quality and we enjoyed every moment of it. As the saying goes, "Food is Bhrahma" and what more joy can bring than eating tasty and delicious food which you have been providing for many decades now.

Kindly continue your good work and I am sure our relationship will continue for more generations and decades.

Thanking you,

Yours faithfully,

(S.B.Sudhakar)
